Good Afternoon Hannah,

I hope all is well.

Rep. Self would like to get a letter to Secretary Sean Duffy regarding the urgent and ongoing safety concerns at Ronald Reagan Washington National Airport (DCA). This includes the January 29th midair collision, over 15,000 reported near-miss incidents, breakdowns in communication with military aircraft, and critical infrastructure failures such as the long-inactive hotline between DCA and the Pentagon.

Thanks for making sure this gets into the right hands.

Best,

Patrick Herrera

Senior Legislative Assistant

Rep. Keith Self
