Community Council Presidents,  
Health Committee Chairman  
Agency Executives and  
Other Interested in Lead Poisoning

A follow-up on the Grant Proposal for Lead Poison Control to be submitted by the Cincinnati Health Department for federal funding is necessary, since those attending the meeting of December 3, 1971 felt that there was a need for revision.

The revised proposal will be discussed on Wednesday, December 22, 1971 at 3:00 p.m. in the Auditorium of the Health Center, 3101 Bunet Ave.

Please encourage attendance by someone from your agency. Since the proposal is detailed, promptness will enable everyone to participate in the overall discussion.

Sincerely yours,

*Marjorie W. Jordan*
