You're the best. Thanks! I realize it was a shot in the dark.

>> Hi Tate - great to hear from you. I know the Governor would love to host Admin. Pruitt. We have a couple things that are locked down already for the 2nd, do you have any flexibility in the date at this point please? Please let me know if there are other options on his calendar. Thanks for thinking of NH, would love to try and make this work just wondering how solid the date is on your end.

>> Hi Jayne-

>> Hope you are well! I was wondering if by chance Governor Sununu might be available to meet with Admin. Pruitt the morning or early afternoon of August 2nd in NH at your Capital on WOTUS? This would be his first trip to New England since being sworn in as EPA Administrator. If that doesn't work, no worries and we can aim for another time.
