CASE NO. 64 POM 1939

SOCIAL SECURITY NO. _____

LOLA J. CRADER, widow of WILLARD R.
CRADER, SR., Deceased. APPLICANT

10603 Valencia, Bloomington, Calif.
ADDRESS

OWENS-CORNING FIBREGLAS, et al.
(see attached sheet) EMPLOYER

5933 Telegraph Rd., LA, Calif.
ADDRESS

AETNA CASUALTY & SURETY CO., a corp.
et al. (see attached) INSURANCE CARRIER

2404 Wilshire Blvd., LA 54, Calif.
ADDRESS

The parties hereto, for the purpose of compromise only, agree as follows:

The above-named applicant claim S that WILLARD R. CRADER, SR. (NAME OF EMPLOYEE) while employed at
various locations in California ~~xx~~ between January 1938 and 3 March 196

by various employers (see attached), then insured as to workmen's compensation liability

by various carriers (see attached) (STATE NAME OF CARRIER OR WHETHER SELF-INSURED) sustained injury arising out of and in the course of such

employment as follows: it is alleged that exposure to irritants at work caused in-
jury to the claimant's lungs and other parts of his body resulting in death.

2. The death of said employee occurred on 7 March 1966, 19 , as a result of the claimed injury.
3. The actual weekly wages of the employee at the time of claimed injury were in dispute, while average weekly wage (statutory) were
4. Payments of compensation to the employee in his lifetime on account of the claimed injury were none

The applicant herein claims S to have been dependent upon said employee at the time of claimed injury, and states S the names, ages, relationship to, and the extent of dependency upon said deceased employee to have been as follows:

NAME	AGE	RELATIONSHIP	EXTENT OF DEPENDENCY
<u>Lola J. Crader</u>	<u>adult</u>	<u>widow</u>	<u>total</u>

The parties hereby agree to settle any and all claims of said dependent on account of the claimed injury and the death of said employee by payment of the sum of \$7,500.00, payable as follows to applicant in lump sum, less reasonable attorneys' fees, less lien claim of applicant's attorneys for costs of \$172.10.

14. The undersigned does hereby affirm and acknowledge that he has read the foregoing release or had it fully explained to him, and fully understands and appreciates the foregoing words, terms, and their effect, and that this is a full, final compromise, release and settlement of all claims, demands, actions or causes of actions known or unknown, suspected and unsuspected, and as a further consideration and inducement for this compromise settlement the provisions of Section 1542 of the Civil Code of the State of California, which reads as follows:

"A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing of the release, which if known by him must have materially affected his settlement with the debtor,"

and hereby expressly waived by the undersigned, who does hereby expressly agree that this release shall extend and apply to all unknown, unsuspected and unanticipated injuries and damages, as well as those which are now disclosed, and the undersigned hereby affirms that he has affixed his signature hereto voluntarily and of his own free will and accord.

15. This release contains the entire agreement between the parties hereto and the terms of this release are contractual and not merely a recital.

x Lola J. Crader
Applicant

The parties hereby agree (if such items of expense be claimed) that medical, hospital and burial expense required by reason of the alleged injury and the death of the employee shall be borne as follows: all such expenses by applicant.

8. The name and address of applicant's attorney (if any): 436 W. 4th
Levy, DeRoy, Geffner & Van Bourg, Pomona, Ca.

who requests a fee of \$ 1,000.00, having been previously paid \$ none

9. Reason for compromise serious dispute exists as to the applicant's rights to any compensation. Defendants contend that the decedent's death was neither caused nor aggravated by his employment. The death certificate indicates that the cause of death was probably cerebral aneurism; defendants contend that this has nothing whatsoever to do with his employment or any alleged exposure. The outcome of litigation is therefore hazardous and uncertain
(over)

The undersigned request that this compromise agreement and release be approved.

11. Upon approval of this compromise agreement by order of the Industrial Accident Commission, a panel thereof, a Commissioner or a Referee, and payment in accordance with the provisions of said order of approval, said applicants and each of them do hereby release and forever discharge said employer and said insurance company of and from all claims, demands, actions or causes of action of every kind or nature whatsoever, on account of, or by reason of the injury and death sustained as aforesaid by the employee and in particular of any, all and every claim or cause of action which the undersigned, heirs, executors, representatives, or administrators may have had, now have, or shall hereafter have against said employer, said insurance carrier, and each of them under Division IV of Labor Code of the State of California.

12. It is agreed by all parties hereto that the filing of this document is the filing of an application on behalf of the applicant, and that the commission may in its discretion set the matter for hearing as a regular application, reserving to the parties the right to put in issue any of the facts admitted herein, and that if hearing is held with this document used as an application the defendants shall have available to them all defenses that were available as of the date of filing of this document, and that the commission may thereafter either approve said Compromise Agreement and Release or disapprove the same and issue its decision after hearing has been held and the matter regularly submitted.
