All,

Please accept my apologies as I will now be mid flight during this scheduled call. May we move to tomorrow afternoon? My afternoon is completely open if there happens to be a time that would work best for the WANADA team.

Thank you,

John,

Good evening to you. Hope you are well and looking forward to a wonderful Thanksgiving holiday. I'd like to determine a good date for the follow up call that we discussed when we

spoke a few weeks ago. On this call, I will anticipate including a member of our communications/press team as well as our head of Public Engagement and then likely the appropriate member of our policy team.

May we look at Monday morning, November 28th or Wednesday, November 30th ? Might one of those days work for you and your team?

We look forward to talking with you.

Warm regards,

Millan Hupp
