Subject: meeting request from Senator Dorgan

Good morning!

On behalf of Former Senator Byron Dorgan, I would like to request a meeting with Administrator Pruitt. Senator Dorgan is hoping to bring along a couple of colleagues from the National Biodiesel Board to discuss biodiesel and renewable fuels issues.

They are based here in DC and would adjust their schedules to accommodate any openings the Administrator has in the next couple of weeks (starting the week of April 24 through early May ideally).

Please let me know if you need any additional information. Thank you for your consideration of this request.
