TO: All Members of:

VCM/PVC-EPA Technical Committee
Attendees at October 26, 1976 Meeting

Gentlemen:

As has been done in the past, we are forwarding herewith a communication received yesterday from Associate Counsel, Beveridge, Fairbanks & Diamond. Although we believe the letter to be self-explanatory, you might wish to refer to our letter of September 30, 1976 with which we circulated Harold Himmelman's communication of the same date to Mr. Reich of EPA. (Copies thereof are being supplied to those not sent the September 30 letter.)

Should you have any questions, comments or suggestions concerning this matter, please do not hesitate to be in touch with us.

Cordially yours,

Joseph E. Hadley, Jr.
