WASHINGTON, D.C.

16 Seventh Street, S. W.
Room 1-329, "C" Building.

January 3, 1923

MEMORANDUM to Assistant Surgeon General
A. M. Stimpson, Chief, Scientific
Research Division, U. S. Public
Health Service.

I am enclosing herewith a letter
from the General Motors Research Corporation,
Dayton, Ohio, regarding the use of lead in
gasoline. It is presumed that this letter
was written in reply to a letter from your
office.

A. M. Stimpson

(A. M. Stimpson)
Surgeon, In Charge
