Re: Warren v. The B.F. Goodrich Company, et al.  
Our file no.: D-16183

Dear Bob:

Confirming our telephone conversation today, because of a death in the family of the individual who will be designated by Monsanto to testify in response to our recent Rule 30(b)(6) subpoena and who has charge of the documents needed for a response to our "keeper of the records" subpoena, Monsanto seeks a postponement of both depositions. We have therefore agreed to reschedule the depositions and they will now be held on Tuesday, May 8, 1990 at 10:00 AM at our Springfield office.

We further understand that we will not need to issue any new or additional subpoena to Monsanto. Also, as stated in Mr. Granger's letter to you dated April 18, 1990, the deposition on May 8th will inquire into the topics mentioned in Schedule A, paragraphs 2, 3, 4 and 5 and the production of documents will be

according to Schedule B, paragraphs C and D; the remaining topics and documents will be covered at a second session to be scheduled.

Mr. Tourtelotte has expressed his desire to postpone the deposition of Ms. Griffith until Friday, May 11, 1990. The undersigned has no objection to such a re-scheduling, but the deposition currently stands as noticed pending further discussion among counsel.

The undersigned will be in telephone contact with all counsel this coming Monday to make sure there are no further difficulties with the deposition schedule.

Very truly yours,
