Mr. Charles Van Horne
Plant Manager
Pittsburgh Corning Corporation
Tyler, Texas 75701

Dear Mr. Van Horne:

I would like to thank you for the cooperation that we received from you and your staff during our recent visit to your plant during the week of 11/29/71 through 12/6/71. Although we had a great deal of work to do in microfilming the personnel files and were underfoot quite often, you and your staff made every effort to accommodate our people. Those in attendance including myself from NIOSH were:

Mr. Frank Stern, Programmer
Mr. Bud Manging, Technician
Mr. Pat Shuler, Engineer

We had, I would say, a very successful trip.

Sincerely yours,

David L. Bayliss, Acting Chief
Biometry Branch
Division of Field Studies
and Clinical Investigations
