I'm not sure if he did as Attorney General, but he has not in his EPA role.

Mary- sorry to be a pain, but it looks like the Admin needs to take a 5:09 flight out of Kansas City, meaning he needs to be at the airport at 4:30. Is there ANYWAY bump things up a bit?

Hi there, Tate. Below is a potential schedule for Tuesday. We will get you a final address for the ranch hopefully today. Governor Colyer has a meeting in Kansas at 10 am so we would propose leaving Kansas City at 11. Would it be possible for you to do the Regional Office visit in the morning?

Below is a proposed agenda:

11:00 a.m. – Depart from Kansas City

12:45 p.m. – 2:00 p.m. – Tour and smoke management discussion

2:00 – 3:00 p.m. – Drive to East Kansas Agri Energy, 1304 South Main Street, Garnett, Kansas 66032

3:00 – 4:15 p.m. - Tour and discussion at ethanol plant

4:15 – 5:20 p.m. – Return to Kansas City

Thanks.

Mary
