Dear Mr. [REDACTED]:

Dr. William N. Blalock and Dr. Paul Kotin, our consultants in the current study on vinyl chloride, have informed this plant that all of your tests, including the x-ray studies and physical examination, were within normal limits. We are happy to be able to inform you of these findings. The laboratory studies will be repeated on a continuing basis at intervals suggested by our consultants, Dr. Blalock and Dr. Kotin.

Sincerely yours,
