All, Michaela Noble in OEPC will kindly serve as our person ultimately responsible for combining and unifying our document, so feel free to add to the link or send to her directly.

Re: DPW, I know Gary has submitted F&W mitigation info to the Secretary's office already.

(b) (5) CIP

A large black rectangular redaction box covers the majority of the text in this section. The text "(b) (5) CIP" is visible in red at the top left corner of the redacted area.

Thanks again.

Karen, Laura, Ann, Eric, and Keith,

Some bureaus have created or started a list of their mitigation policies, but we'd like a comprehensive source of all this information department-wide.

We want to compile a reference document listing what (if any) statute authorizes it; where it is found in our regs, reports, handbooks, IMs or implementation guidance; and finally, what type of mitigation (e.g. compensatory) it is.

We want to err on the side of over-inclusion so feel free to add anything in you think we may be missing. Each item just requires a summary with a few sentences.

Karen, I know Susan and Stephen have begun looking at this in the SOL office, and Lara Douglas at BLM.

Ideally, we'd like to get this information compiled within the next week.

Thanks everyone,
