Attn : Mary Dominiak

Dear Mary:

This submission includes information describing DuPont's products sold in the United States in 2002. The information provided herein is part of the Telomer Research Program *Product and Article Analysis* described in the Voluntary Commitment, Item 1, on page 3 of the 14 March 2003 Letter of Intent submitted to the Agency by the Telomer Research Program of which DuPont is a member. The information provided herein includes the CAS number, Chemical Name, and 2002 use and sales volume (on an active ingredient pounds basis) in the United States for these DuPont products. These data represent 98% of the total active ingredients sold in the United States in 2002. This submission includes both CBI and company sanitized copies of the information. As an additional cross-reference, this submission meets the commitment to provide this information to Agency as described in Appendix 5, page 16, March 2003, Item 1., "TRP Commitment Summary" of the Letter of Intent, which describes the specific timeline commitment for submission of information to the Agency.

Please contact me if you have any questions regarding this submission.

Best regards,

Stephen H. Korzeniowski
