Subject: Register for the NAFO Congressional Reception: April 4, 2017

Please join the **National Alliance of Forest Owners (NAFO)** for our tenth annual Capitol Hill reception on Tuesday, April 4th, 2017 from 6:00 PM - 8:00 PM in the Kennedy Caucus Room, 325 Russell Senate Office Building.

Senators Angus King (I-ME) and Jim Risch (R-ID) – who lead the newly created Senate Working Forests Caucus – are our honorary hosts for this year’s reception. They will be joined by their Congressional colleagues, private forest owners, and top leaders from the forest products industry, conservation, and recreation communities. Together, we will celebrate the contributions of private working forests to job growth, economic recovery, outdoor recreation, and the environment.

NAFO members represent more than 80 million acres of private working forests in 47 states, supporting 2.4 million jobs throughout our nation. NAFO is committed to the long-term stewardship of America’s private forests and to sound, bipartisan forest policies benefitting forest owners and the broader public. Private working forests help drive the U.S. economy by providing millions of jobs while producing a broad range of goods and services that improve quality of life in every home and community. They are a unique national resource.

Please join us to celebrate America's private working forests and the many benefits they bring to our families our communities, and our nation. We look forward to seeing you on April 4th.

Please RSVP at <http://nafoalliance.org/2017-cr-registration>.

Please contact NAFO at (202)747-0750 or atauzin@nafoalliance.org with any questions.
