We have a team in town Aug 1 and Aug 2, would you have time Aug 1 between 130 and 5, or Aug 2 between 930 and 12?

And, thanks so much for taking this.

Tim,

Come see me on the issue. I will be happy to review the Region's permitting issues and see what the state of play might be.

Regards,
Lee

Lee,

We filed these comments with others on the Region 6 NPDES permit issue. There is a reg team going in to talk to the region folks about the technical work, we were hoping to come in to talk to folks in DC about it. Some folks are pushing the "go see Ryan" dynamic. I was wondering if you had a better suggestion to ensure we get seen by folks who will understand but don't waste EPA leadership team time. Hope to hear from you soon.
