TO: PRINCIPALS AND REPRESENTATIVES OF
HEALTH AND SAFETY COUNCIL,
ASBESTOS CEMENT PRODUCTS ASSOCIATION

Attached is the Agenda of the third meeting of the Health and Safety Council which will be held at the Biltmore Hotel on Tuesday, May 20, 1969.

There are two attachments to the Agenda which we would like to have you review for discussion and consideration at the May meeting. One is the draft of "Recommended Practices for Fabricating, Handling and Applying Asbestos-Cement Products in the Building and Construction Industries" as prepared by Cliff Sheckler's committee. The other is a booklet on Membership Information in the Industrial Hygiene Foundation of America, Inc. which I have placed on the Agenda for discussion.

Will you please let me know who will attend from your company so we can provide for luncheon.

Yours very truly,

J. A. MAIN
COUNCIL CHAIRMAN
