

LEAD INDUSTRIES ASSOCIATION, INC.

292 MADISON AVENUE

NEW YORK 17, N. Y.

February 28, 1962

SUBJECT: ANNUAL MEETING

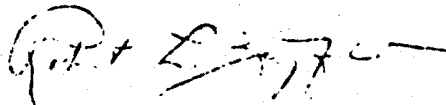

To Members of the Lead Industries Association, Inc.:

Attached is a preliminary program of the annual meeting of the Lead Industries Association to be held at the Chase Park-Plaza Hotels, St. Louis, Missouri, on April 10-11, 1962. (Also enclosed is a copy of the American Zinc Institute's program for the meeting to be held on April 9-10.)

For your convenience, an advance registration card is enclosed. By filling in and returning to us this advance registration card, together with your check covering the activities which you expect to attend, your registration and tickets will be awaiting you at the meeting registration desk in St. Louis and you will save time at the meeting. However, if you prefer, you can register in advance and pay at the meeting.

Hotel reservations should be made directly with the Chase-Park Plaza Hotels, St. Louis, Missouri. Cards for this purpose were enclosed with our announcement of January 29, 1962. If you do not use the special room reservation card, please be sure to state in your letter to the hotel that you are attending the LIA meeting.

Sincerely yours,

Executive Vice President

REFRESHMENTS AND LUNCHEON.Zodiac Roof, Chase Hotel

PRODUCT DISPLAYS

So much interest was shown last year in the display of new lead products at the L.I.A. annual meeting, that we have decided to continue this practice. Therefore, we will again have available for inspection by members a number of products - some experimental, some commercial - adjacent to the meetings where they can be readily viewed before, between and after sessions. Staff members will be available to explain the displays and answer questions. Among products expected to be on display are the following:

Sonifier by Branson Instruments, Inc.

Battery-powered utility pumps by Russell Harrington Cutlery Co.

Non-spalling porcelain enamelled aluminum by Easlin Stevens Co.

Thermoelectric generator by Minnesota Mining & Manufacturing Co.

Sealed "maintenance-free" battery by Electric Storage Battery Co.

Battery-powered hand tools by Skil Corp.

Electric automobile by Stuart Motors, Inc.

Personnel and maintenance carts by Cushman Motors

Noise control display by L.I.A.
