Dear Audun, Jenny, others,

We received the same. I agree with your response.

In line with your answer, I think we should consider some meetings with stakeholders beginning of next year, like CEFIC/FFP4EU, PlasticsEurope, EPEE,
We can discuss further during one of our December meetings.

Kind regards,
Martijn

Dear Jenny,

We have received the same email. Agree with your proposed response, and if you reply I don't think we need to provide any response from our side.

Best regards,

Audun

Dear all,

Have you received the same request from Cefic/FPP4EU? A suggestion is that I give a similar answer as Carl sent to 3M earlier this month (see below). What do you think?

Dear Patricia,

Thank you for taking interest in our work. At this time we are evaluating all the responses from the 2nd Call for Evidence that ended 17th of October. Because of that, we would refrain from a meeting this year. However, we will contact you when our evaluation has advanced further if there is need to clarify any remaining or new questions that come up during our evaluation.

Best regards
Jenny

Ämne: Meeting request on PFAS restriction proposal

Dear Ms Ivarsson, dear Ms Olsson,

I hope this message finds you well.

I am contacting you on behalf of FFP4EU, Cefic's Sector Group dealing with FluoroProducts and PFAS that was set up earlier this year (see attached communication).

We would be grateful if you would be available for a one-hour videoconference with the Cefic FFP4EU secretariat at your earliest convenience, preferably before the end of this year.

The aim of the call would be to discuss informally the preparation of the PFAS restriction proposal and, above all, find out how we can be of added value to you.

Therefore, I would kindly ask you to indicate to us your availabilities, so that we can organize the meeting.

Thank you very much in advance for your cooperation,

Best regards,

Patricia
