Will do; nobody needs extra email.

Would you be so kind as to send me the name, telephone #, and email address of the new XOM communications person. We have had him on a call, but I don't have his contact info.

Hope your new job is going well.  
Patsy

Hello Patsy

Hope all is well with you. Now that I have moved to my new role, I suggest that you may wish to remove my name from your distribution list. But don't worry - I'll still follow what goes on via Brian Doll. Please don't hesitate to contact me if I can ever be of any help.

Cheers. Trisha
