

F. O. CASE
MANAGER OF MIDWEST DISTRICT

20 N. WACKER DRIVE
CHICAGO, ILLINOIS

December 26, 1939

Mr. Frederick Laist,
Vice-President,
International Smelting and Refining Company,
25 Broadway,
New York City.

Dear Mr. Laist:

Attached you will find a copy of
a letter from Mr. Knox and an affidavit concerning
patent application Serial No. 178,352 covering
the Method of Producing White Lead. This file
is self-explanatory and is being sent to complete
your patent file. Mr. James W. Laist will not need
a copy, since the original was sent to him direct.

Very truly yours,

December 22nd, 1939

Mr. F. O. Case
Manager of Midwest District
International Smelting and Refining Co.,
20 North Wacker Drive
Chicago, Illinois

Dear Mr. Case:-

Attached please find two copies of the revised affidavit forwarded direct to this office by Pennie, Davis, Marvin and Edmonds on December 19th.

The affidavit has been completed as requested and, in order to avoid delay, it has been forwarded direct by air mail to Mr. James W. Laist. Mr. Laist requested that it be returned in time for filing before the end of the year.

Very truly yours,

W. J. Knox
White Lead Plant Superintendent
