Mr. V. V. Lindell, Manager
Canadian Johns-Manville Co. Ltd.
Asbestos, Quebec, Canada

Dear Mr. Lindell:

Attached is a proposal prepared by the Saranac Laboratory concerning an investigation of "Asbestos and Pulmonary Cancer," which we are pleased to forward to you for your consideration. This proposal is being submitted to you at the request of Dr. Paul Cartier and Dr. Kenneth Smith.

This study, we believe, is a very important one and we trust that you will give it your considered thought.

Sincerely yours
