Dear Dr. Kehoe,

It was good indeed to have such letter from you and it was also most what we are trying to do at the Institute and Hygiene is something that you be

As you have probably realised, of our Academic Board are purely academic have relatively little connection with your moral support in this means a great

I think our object in the Institute and Hygiene will be to reorganise the training people for the Diplomas in Industrial Health, but gradually to medicine as you envisage it. I may I have the help and collaboration of Francis Camps, who is running the Letchworth we hope one day to have something on Kettering Institute. I am sure I have ideas about all this, so please may when I need to? Meanwhile I am keeping you kindly sent.

Yours sincerely
