[illegible] Employment [illegible] Safety Coordinator.

There was presented the following memorandum dated October [illegible], from the Director, Division of Shipyard Labor Relations:

"Subject: Employment of Wm. A. Grainger as Safety Coordinator

"It is requested that approval be given to the employment of Mr. Wm. A. Grainger, on a part time basis, to carry out the administrative duties necessary in connection with the Joint Maritime Commission-Navy Department safety program.

"Mr. Grainger has had twenty-five years' experience as a safety director with the Bendix Corporation, South Bend, Indiana, plus two years in the shipbuilding industry with the Ingalls Shipbuilding Corporation, Pascagoula, Mississippi. He is at present employed by the National Safety Council, Chicago, Illinois, as a safety engineer, having been with that organization for approximately six months.

"We propose to employ him on a contract basis at $10.00 per day, plus per diem expenses and travel in accordance with government travel regulations, with leave privileges being extended to him. He would work on our safety program two weeks out of each month, and would be domiciled in Chicago, Illinois, under the immediate supervision of our Chief Safety Consultant.

"Mr. Grainger's duties would consist of reviewing all reports submitted by regional safety consultants and making suggestions for correction or improvement of same; making certain that follow-up inspections are made within a reasonable time after original inspections; checking on the compliance with recommendations by the shipyards by contacting the proper persons in the Maritime regional offices or the Bureau of Ships, Navy Department; reviewing regularly all accident summary reports received from shipyards and preparing a monthly compilation of accident causes on a nation-wide basis for submittal to regional safety consultants and for general distribution; forwarding to this Division every three months a complete report on the status of accident prevention in shipyards; replying to correspondence of a technical nature regarding the safety program; attending meetings on safety held by various government agencies when they affect our joint Maritime-Navy program; and performing any other work necessary for the expeditious handling of safety matters.

"RECOMMENDATIONS:

"It is recommended that Mr. Grainger be employed under the conditions above set forth for assignment to the Division of Shipyard Labor Relations at the earliest possible moment, in order to facilitate the application of the safety program in the shipyards.

(Signed) DANIEL S. REID
Director, Division of Shipyard Labor Relations"

After discussion, by the unanimous "yea" vote of the members of the Commission present, the recommendation contained in the foregoing memorandum was approved and the proper officers of the Commission were authorized and directed to take any and all actions necessary and proper to carry the action of the Commission as above set forth fully into effect.

COUNTY OF JEFFERSON)

I, Margaret J. Baumgardner, being of full age and first duly sworn do hereby state:

1. I am an Information Processing Coordinator for the Claims Resolution Management Corporation ("CRMC"), a wholly owned subsidiary of the Manville Personal Injury Settlement Trust ("Trust"). The CRMC was created in December 1998 and is staffed by former Trust employees. On January 1, 1999, CRMC began providing claims resolution facility services to the Trust.

2. In that position, I manage a Records Repository which is located at 11000 East 51st Avenue, Denver, Colorado.

3. The Repository contains documents obtained from Manville Corporation and related entities which relate to asbestos litigation. The Trust managed and operated the Repository from November 28, 1988, the date on which the Manville bankruptcy plan was consummated. These records are maintained at the Repository in its regular course of business.

4. Documents from this Repository were copied for the law firm of Trine & Metcalf from a search of the INQUIRE document database. The copies have been bates labeled as numbers MT-000001 to MT-001122, and these documents are true and correct copies of documents found at the Repository.

Further affiant sayeth not.
