Subject: [EXTERNAL] Meeting request with Oklo CEO

Hi John,

Hope you are well and welcome back to LPO. Oklo's co-founder and CEO, Jake DeWitte, and Chief of Strategy, Bill Goodwin, will be in town this week and would love to meet with you to share our vision for Oklo. 2025 is the year we make Oklo inevitable and we think this new administration can be an incredible partner in that endeavor. In particular, there is an important role that the Loan Programs Office can play in supporting not only Oklo, but also unlocking advanced nuclear reactor fuel and fuel recycling.

We have availability to meet on the morning of Friday Feb 28th. Let us know if you have time to squeeze us in and appreciate the consideration.

Marcie Haber

Director of Federal Affairs, Oklo
