

compensation claims within the above-described criteria between the years 1930 and 1978, state:

- (a) The date you received notice of the claim;
- (b) The identity of the person making the claim; or on whose behalf the claim was made;
- (c) The specific disease or illness complained of. In particular, all complaints of: asbestosis, emphysema, chronic bronchitis, pulmonary fibrosis, dyspnea, carcinoma of the lungs and mesothelioma;
- (d) The name of any physician or nurse who made any notes on the claim or who inscribed any words whatsoever on any document, paper, letter, book, or record pertaining to the evaluation of the facts and/or the merits and/or the medical workup of the claim filed;
- (e) A brief summary of the substance of the written materials mentioned in section (d);
- (f) The present location(s) of the documents, medical or otherwise, relevant to the claim files, if any, specified in section (a);
- (g) An index to the claim files, if any specified in section (a) showing how, if at all, they are broken down by the defendant in the ordinary course of the defendant's business activity (i.e. by geographical region, by plant, by profit center, by disease, by injury, by level of compensation demanded, by estimate on the eventual payment that will be required on the claim, by worker's name or number, by contract unit, by date, or in any other way that the defendant as a practical matter in the ordinary course of defendant's business actually breaks down and indexes the claims of the kind specified for purposes of defendant's own internal filing and record keeping;
- (h) The state or federal agency or agencies which would in the ordinary course of defendant's business and in the ordinary course of the state and federal government's business receive notice of the claims;
- (i) The indexing or filing system used by those agencies in the respective states or in the respective federal agencies;
