Mr. S. Oestreicher
Assistant Editor
Kansas City Chemist
5600 Russell
Kansas City, Kansas 66106

Dear Mr. Oestreicher:

I read with considerable interest a copy of one of your recent editorials which appeared in the July, 1972 issue of CHEMTECH. Of particular interest to me was the reference to the presence of PCBs in Egyptian mummies.

I would appreciate very much if you could give me additional information relating to this presence of PCBs.

Sincerely,

W. B. Papageorge
Manager
