FRICTION MATERIALS STANDARDS INSTITUTE, INC., E. 210 ROUTE 4, PARAMUS, N.J. 07652

PLAINTIFF'S EXHIBIT

AB-237

June 20, 1972

TO: MEMBERS OF ASBESTOS STUDY COMMITTEE

SUBJECT: OSHA STANDARD - POSITION OF INDUSTRY, NIOSH AND ADVISORY COMMITTEE

Mr. I. H. Weaver, Chairman of the Committee, felt the attached tabulation proposed by AIA/NA comparing items in the OSHA Standard against the Inudstry position and the recommendations of NIOSH and the Advisory Committee on Asbestos Dust would be of interest to all members of this Committee.

Copies of this tabulation are attached for your information.

E. W. Drislane
Executive Secretary
