THE AVENUE CAFE

If experience in cooking makes for perfection in a chef, then Marie Kohn, who, with her husband, E. T. Kohn, conducts the Avenue Cafe in New Monterey, should be nothing less than "super" at her art.

Starting with seven years in Santa Barbara catering to the appetites of those fastidious gourmets of the south, Mrs. Kohn's culinary education includes three years in Orange county and five years in Santa Cruz kitchens.

In 1936 the Kohns took over My Attic Cafe in Monterey and it was here that they established a local reputation for serving fine foods. Their present restaurant at 611 Lighthouse avenue was opened in January of this year.

Mrs. Kohn is proud of the

fact that she was selected to bake an apple pie for Gov. Olson on the occasion of his recent visit to Del Monte.

Yes, that's what the family folks all say when they have finished one of our delicious meals. And it is little wonder — for every last bit of food, including pastry, is personally prepared by Mrs. Kohn and she KNOWS HOW.
