

1 If the reaction is unfavorable, the way is
2 opened to spread word among the locals about the
3 refusal of the union officials to make this protection
4 available to the members and to play all of the stops
5 on asbestosis.

6 Implied is the threat to distribute to all
7 members of the union copies of the U.S. Public Health
8 Bulletin 241 on asbestosis.

9 This is signed by ECA, Edward Ames, as we
10 heard in the deposition.

11 Document Number 60 is offered against Owens-
12 Corning. This is the State of Washington general
13 safety standards. Again, it has their Bates stamp
14 number on the bottom.

15 THE COURT: It will be admitted into
16 evidence.

17 (Whereupon, Plaintiffs' Exhibit Number 60
18 was received into evidence.)

19 MR. SMITH: I don't need to read this other
20 than to say this document is pursuant to hearings in
21 1943.
