405 LEXINGTON AVE., NEW YORK CITY

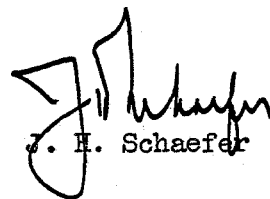

March 16, 1943

Dr. R. A. Kehoe
College of Medicine
University of Cincinnati
Eden & Bethesda Avenues
Cincinnati, Ohio

Dear Dr. Kehoe:

In reference to our exchange of correspondence back in December, 1942 on the subject of vitamins in general and specifically the vitamin report concerning the study made at the Baton Rouge Plant, has anything of interest turned up on this subject which would indicate that a "vitamin campaign" might be worthwhile at our plants?

Very truly yours,

J. H. Schaefer
