Dear Frank:

Pursuant to our telephone conversation, enclosed is a copy of the Summary of January Renewal Invoices submitted by C T for payment by NL. The lined-out entities reflect those subsidiaries which were merged into National Lead Company during 1976. Please compare these listings with your records and have your billing department send us an adjusted bill, deleting the inappropriate representation charges.

We will await a corrected bill before making payment.

Thank you for your assistance.

Sincerely,
