

1 Therefore, it is important to understand
2 both the pharmacology, the chemicals and the
3 toxicology of the industrial chemicals.

4 Q I believe you testified that you are an
5 industrial hygienist?

6 A I am, sir, board certified.

7 Q Okay. We have heard about the board
8 certification program from Dr. Fowler.

9 Is that the board certification that results
10 in having the letter CIH put after your name?

11 A That is Douglas Fowler?

12 Q Yes.

13 A Yes, sir. He is a CIH and I am, also.

14 Q Okay. Do you recall when you first became a
15 certified industrial hygienist?

16 A I think I sat for that exam in about 1980.

17 Q Okay. Dr. Weir, are you a member of any
18 professional associations?

19 A Yes, sir, I am.

20 Q Okay. Could you tell the jury which ones
21 you consider to be especially relevant to your
