

Inter Office Communication

September 19, 1972

Steel Division

TO: Mr. Henry B. Lick
Industrial Hygienist
Industrial Hygiene Section

SUBJECT: Exposure to Asbestos Fibers

In reply to your letter of September 18, 1972 on the above subject, we supplied your office on June 16, 1972 with the names of the employees who are exposed to asbestos. There are five pipe fitter covers who work in Primary Operations Maintenance and four pipe fitter covers who work in Miscellaneous Shops. They have all had their asbestos examinations in 1972.

C. W. Fellows, Supervisor
