Hi Megan—

Thanks for writing. We won't be able to allow access to spaces inside the building, though you're welcome to film outside the building.

Best,

Tricia

Hi Tricia,

I'm going to be in DC tomorrow and Friday, and wondered if it would be possible to visit EPA with my camera man to pick up a few b roll shots in publicly accessible areas of the building - entryways, hallways, signage, flags, etc. Can you assist?

I haven't heard from him yet and we probably need to escort him.

Thank you, Tricia. No worries about the voicemail - I think we're all set. I gave my cameraman your information in case he has any questions onsite.

Hi Megan—

I think an Uber is always a better idea in this area, but if you need parking, I recommend the Ronald Reagan building, 1300 Pennsylvania Ave NW, which is right next door.

Also, I apologize, but for some reason the voicemail you left on Thursday didn't show up in my mailbox until sometime over the weekend. Did you have any other questions you needed help with?

Best,

Tricia

Thank you Tricia. My cameraman Jeremy Gould will arrive around 11:30.

Is there a nearby parking garage you would recommend? Would it be a better idea to Uber in?

I need to make a correction. There will not be a pool feed. You'll need to record for yourself.

Tricia

Good morning Tricia,

Thank you for the information. Regarding the pool feed -- is that something I would be able to get a copy of from you after the hearing? Or would I have to record for myself, live?

Best,

Megan

Hi Megan—

You are more than welcome to film the hearing. We highly suggest that you come as early as 11:30 AM to set up. There will be a pool feed available, and you're welcome to move around as appropriate. We will have a multi-media specialist on site to help address any additional questions you may have.

Best,

Tricia
