I want to send my sincere apologies for my absence from the Global Resource Efficiency Task Force meeting, as I needed to be at an important meeting at the White House pertaining to hurricane response. Please know several members of my team were able to attend in my absence and relayed back to me the important work being done by this task force. I look forward to continuing our work together in the future.

Best Wishes,

Dear Rick -

Thank you for all your
counsel and assistance with
regard to the trip to Australia...
looked forward to attending
but the urgency and issues
surrounding Hurricane Harvey
I've necessitated post-pone.
Until next time ...

Andrew,

It was wonderful to connect with you at Concordia. I very much enjoyed our conversation and learning about the work being done at Clean Energy. I look forward to continuing our dialogue and finding ways to advance the innovation and technology that companies, like yours, are producing to help the environment.

All the Best,

Steel —

Great to hear from
you post the OU - OSU game...
Actually, I was unable to
attend, but was watching from
abroad with great interest.
That you use you very kind
words was encouraging.
Hope to see you soon.
