Dear Doctor Kehoe:

This acknowledges receipt of your letter of April 21st inquiring about publication of your report on the experimental study which you made of some of the men engaged in the insulation of houses by The Eagle-Picher Lead Company. I conferred with Attorney Markley as to its relation to past Geismar litigation. We see no objection to publication of the article.

With kindest personal regards, I am,

Very sincerely yours,

Vincent H. Beckman
