Barry,

My name is Darin Miller and I'm chief of staff for Sen. Cynthia Lummis. I've included a few colleagues on this email. Sen. Lummis recently worked with her kitchen cabinet of industry leaders to come up with recommendations for the Trump administration to help transform our economy and reestablish American greatness. We thought these proposals would benefit you, and hoped to have a staff-level briefing with your team to discuss this more, share our priorities and ideas, and hopefully collaborate to make these ideas a reality.

I'll let my team here find a good time to sit down with yours. Specifically, we would like to discuss ideas from the transportation section of this document.

Best,

Darin Miller | Chief of Staff
U.S. Senator Cynthia M. Lummis (like "hummus"!)
