Subject: Methylene Chloride

Ms. Beck, Mr. Morris, Ms Corado and Mr. Parsons,

I am writing because of the death of our friend, [Ex. 6 Personal Privacy (PP)] who was using Methylene Chloride based paint stripper. It is distressing to me that the EPA has ~~not~~ timely postponed its ban on Methylene Chloride. (EPA-HQ-OPPT-2016-0231-0001).

The mission of your agency is to protect Americans. We depend on you! Please don't let another person die because of this chemical!

Please take action now!!! I urge the EPA to reconsider its decision to delay ruling this chemical too dangerous!
