Mr. Cason – My name is Dean Gordon and I am sending this correspondence to you on behalf of the West Bank Home Owners Association. I want to confirm that you have received the above attached letter send to The Honorable Kamala Harris dated October 13, 2017 that you were copied on. Also attached above is my e-mail thread to The Honorable Secretary Zinke’s Office dated October 18, 2017. Additionally it is my understanding Roger French President of the West Bank Homeowners Association has also sent you a letter along with accompany documentation. Per my e-mail thread below dated October 24, 2017 to Leila Getto I briefly outline some of the actions taken by CRIT “ Colorado River Agency” over the past several years. As you can imagine the hostilities within the disputed area are at an all time high and quite frankly I am concerned someone is going to get severely hurt and or if not killed. Many of the residences in the disputed area are elderly, some with health problems and on a fixed income. Mr. Cason my plea to you this afternoon is that you help assist the DOI in issuing an immediate injunction/stay preventing CRIT “Colorado River Agency” from entering the disputed area until this conflict can be resolved. If you have any questions and or concerns I can be reached at (b) (6) Sincerely Dean Gordon

Hi Leila – I have attached above for your review a letter addressed to The Honorable Kamala Harris dated October 13, 2017 from the West Bank Homeowners Association. As you can see Jim Cason, Associate Deputy Secretary with the DOI was also copied in that October 13, 2017 correspondence to Senator Harris. Additionally attached above is the October 18, 2017 e-mail request to the DOI scheduling department requesting a meeting with Secretary Zinke along with a request for the assistance of the DOI in issuing an immediate injunction/stay preventing CRIT “Colorado River Agency” from entering the “Disputed Area” until this conflict can be resolved. I do not know if you are aware but CRIT has entered the disputed area countless times over the past several years and stolen the personal property of the residences within the disputed area, burned down their homes and had both the CRIT Tribal Police and CRIT Administrative Office harass the residences within the disputed area most of which are elderly. Please understand that time is of the essence and your help is greatly appreciated. Any questions please feel free to contact me at (b) (6) Respectfully Dean Gordon
