Cheadle, Cheshire, England

17th, 1968.

Dear Bob,

Thank you for your long and extremely helpful letter.
The points you make are constructive and I hope we shall be
able to modify the draft to bring it into line with at least
some of the suggestions.

I will let you have a further draft for your final
approval in the course of the next few weeks.

Kindest regards,

Yours sincerely,

Ronald
