American Brakeblok

America's Safety Brake Linings

BULLETIN

P. O. BOX 607, WINCHESTER, VA. 22601

BULLETIN NO.: WH-76-05AB

DATE: October 20, 1976

TO: ALL NAPA DISTRIBUTION CENTERS

SUBJECT: Price Increases Effective With Shipments Dec. 1, 1976

The recent increase that we have received on asbestos plus other raw material and labor adjustments makes it necessary for us to revise our prices effective with all shipments made on or after December 1, 1976. The weighted percentage of increase by product line is as follows:

*American Brakeblok Block Sets	2.2%
American Brakeblok Brake Lining Sets	7.2%
*121 Thick Blocks	2.2%
Bolt Hole Plugs	8%
Extra Heavy Duty Thick Blocks	(Check For Revised Prices)
*Stopper Thick Blocks	2.2%
Bolt Assemblies	10%
Standard Woven Lining	20%
Heavy Duty Woven Lining	20%
Molded Rolls (Wire Back)	10%
Flexible Molded Rolls	15%
Folded & Compressed	30%
Industrial Lining Sets	10%
Crossing Guard (Sets & Bulk)	7%
Tractor Disc Brakes	10%

* There is no increase on our 3 most popular block sets 4602D, 4605D and all versions of 4515, D, AD, BD, CD & ED.

Enclosed is a copy of our Distribution Center Net Price List. A complete supply of our "A" Series prices will be shipped direct to you from our printer.
