I'm sure you saw the recent court ruling on HFCs and the SNAP program and I know you are busier than heck, but it really would be beneficial if I could meet with you on this when I am in DC the week of

Aug 21. We are already hearing from senior leaders from our appliance manufacturers. Can you meet with me to discuss this? I am not expecting any final decisions from you at this early stage. I just think we need to understand the possible scenarios and possible impacts of each as you weigh your options. I will be meeting with CARB shortly, too. Thanks for considering and I hope this meeting can occur (I promise I won't bring up Energy Star at this meeting ☺).
Thanks.

PS - also as a heads up we are discussing the likelihood of some of our CEOs coming to DC in Sept/Oct to meet with a few key Trump Administration leaders, and Administrator Pruitt would hopefully be one of those meetings we would be able to coordinate.
