Whether you plan to paint the whole house, decorate any room, or renew any surface about the house, Sherwin-Williams Products will enable you to get lasting and beautiful results.

Sherwin-Williams Brighten-Up Stain

This is a finish that var-
nishes and stains with one
operation. Made for re-
newing furniture and woodwork, floors and
other surfaces. Produces' natural hard wood
effects. Will not fade.

Sherwin-Williams Mar-Not

is a varnish made for floors only.
Stands walking on, cleaning and
the wear and tear of moving fur-
niture. It dries dust free in eight
hours and holds its luster for the
longest possible time.

We also suggest Porch and Deck Paint for your porch
floors, Family Paint for kitchen cupboards and shelves,
Inside Floor Paint for old worn floors, Old Dutch Enamel
for woodwork and Flat-Tone for your walls.

Sherwin-Williams Enameloid

is a varnish paint for
inside walls and ceil-
ings and woodwork
where a high gloss
finish is desired. It
is easily cleaned with
soap and water. It
lasts a long time,
which makes it eco-
nomical.

Enameloid will
also give a gloss
finish to any wood
or metal surface,
such as bicycles, fur-
niture, etc.
