Dr. Jerome F. Cole
Director, Environmental Health
The International Lead Zinc Research
Organization, Inc.
292 Madison Avenue
New York, New York 10017

Dear Jerry:

The attached copy of a proposed British standard was just recently received. They have asked for comments, and if you have any I will be glad to forward them. This is the second part of a standard dealing with lead release from tableware and cooking ware.

Sincerely,

Jerome F. Smith
Secretary & Manager
