

Acknowledgements

The first draft of this document was prepared by the CSIR- Miningtek (Principal Author-Bharath Belle, and assistance of Jan Du Plessis and Jan Oberholzer). It is planned to circulate the handbook with a number of specialists (See below) in the field who have already contributed in some instances for technical and language editing before final release.

Australia	Jan Oberholzer, SIMTARS Terri Obeiren, ACIRL
-----------	---

China	Prof. Lu Jianzhang
-------	--------------------

France	J P Amartin
--------	-------------

Germany	Karsten Jaeger
---------	----------------

India	S. Sharan, CMPDI
-------	------------------

Japan	Masahiro Inoue
-------	----------------

South Africa	Marco Biffi David Stanton
--------------	------------------------------

UK	Brian Hole, IMCL
----	------------------

USA	NIOSH
-----	-------

The Handbook was financed under the STEP funding of CSIR-Miningtek.
