Dear Sydney,

Is there any time in Mr. Pruitt's schedule on Wednesday, June 21 for a short chat about our 2018 Sustainability Conference? A short visit to [www.silcny.com](http://www.silcny.com) plus an even shorter phone call will indicate the audience which is available through this medium.

Regards,

stanley

Good morning Stanley,

Thank you for reaching out! Unfortunately we are just barely sneaking out of here on Tuesday evening to get to NY, so I don't think we would be able to make it up there in time. Thank you for extending the invitation though!

Best,  
Sydney

Stanley,

Good morning. I am so sorry for my tardiness in responding. I am copying the Administrator's Executive Scheduler and hopefully we can include it in our day!

Thank you so much.

As you know, our all day Sustainability Conference is the same day as the Manhattan Institute board meeting (and I have to find a way to attend both). It does present an opportunity, however, in that Secretary Pruitt can deliver a few remarks to our conference (from 8:00 am to 5:30 pm, on the very same street as
