EPA friends--

Per a brief conversation with Samantha, I understand you may have already expressed a preference to PPO for this position. But I thought I would pass along **Ex. 6 - Personal Privacy** materials anyway. He's a great guy with a strong background in environmental law. I think he'd be a great pick.

Hope you are both well, and thanks for taking a look.

Derek

Good Afternoon,

We received your contact information as a potential candidate for a regional position within the Trump Administration. As a part of the preliminary vetting process, if you will please complete and return the attached form, in addition to a copy of your latest resume in PDF format, that would be wonderful.

Please feel free to contact me with any questions.

My best,
