**Subject:** FW: Sec. Pruitt Writes Governors on CPP  
[McAuliffe.pdf](#)  
[Sandoval.pdf](#)

Scott and Adam:

We wanted to let you know that Administrator Pruitt is today sending the attached letter to all U.S. Governors regarding the EPA's current posture on the CPP that I believe state Attorneys General would be interested in reading as well. Tate Bennett in our office of Congressional and Intergovernmental Affairs can provide more information on this letter and answer any questions.

All the Best,

Samantha
