Dear Colleague,

Given your interest in innovative infrastructure finance, I thought you might find the attachment of interest. It is a presentation by Maureen Stapleton, General Manager, San Diego County Water Authority, on their massive P3 (public-private partnership) initiative, a \$1 billion investment in the Carlsbad desalination project. This presentation was made at ACE '18 for a panel on "Everything You Wanted to Know About P3s but Were to Afraid to Ask."

Thank you for your interest.

Tracy
